“ Joan, Stephanie, & Dakota
I want you'all to know how very sorry I am, and your in my thoughts and prayers. I remember when we were all at his birthday party a few years ago,
and how happy it made him for everyone to be there. I will always remember how he liked to walk to the store near his house when I was younger. Shortly after I got my drivers license I would pick him up and give him a ride home.
Though he loved his walks he always accepted my ride and we would have a nice visit. I just loved to here his story's. He will be missed, and will live on forever in our hearts.
Love you all, Michelle

“ Dear Joan and Family,
There are no words that can help ease the pain right now as we all know. The loss of your parents are so hard, but we get through it some how. Time really does help. Just know you have two beautiful angels to watch over you now. Your like me even though they were older, you have had them that much longer as a part of your life. Just keep all your wonderful memories of them alive in your heart. You will be in my thoughts and prayers in the days to come. Love,
