“ *Many years I attended church with Vern and his wife Leigh. He has always been there for me when I needed him wether I was to help me pack my twin girls and son into the church or let my unruly daughter stay with them for awhile. She is a. totally different child. when she came back home to me. I could never forget them for t his. He was there for my sister as well and really helped her. He was a strong man of God and will be missed here on earth. It is comforting to know he is resting with the Lord.*

Much Love to his family.

“ *My folks were Quentin and Lucille Giesbrecht and Vernon was a dear friend of their's, especially to our dad. I have precious memories of home Bible studies and beautiful songs of worship of which he was a part, surrounded by a circle of family and friends. He always had a ready smile and a warm welcome to all. I am sorry for your loss.*

“ Vern has always been a man I have looked up to as a father figure I didn't have my dad growing up but I always knew I could look to Vern and his wife Leah for any guidance I needed in my life or any advice I have needed. Vern was truly a man of God when I think back on my childhood I think of being in there church listening to his boys sing, and Vern preaching, overnight prayers, going to there house for school and just thanking God that I had true examples in my life of godly people who not only preach gods word but live by it I love all of you so much Vern I will miss you so much u weren't just a pastor to me you were like a dad to me when people say Vern fathered the fatherless he truly did I don't know where I would be today without the guidance from him and Leah throughout my life❤️❤️

*Vernon was a great brother.
So much fun growing up together in the farm. We were less than 1 year apart and the older brothers were way too cool most of the time. We had so many river adventures
Together, fishing, building tree houses, and digging clams.
Vernon was always building, first wood boxes, then tackle boxes, and once we built a real playhouse.
Later he built at least 4 homes for his family. My dad used to sing the old hymn " Building for Eternity."
He's done building here , interesting he was building a church with his sons when he left us. I'm sure he's rejoicing with my Mother and father an praising God in heaven.
Til we meet again....

“ *Hello Leah and all of Vernon's family,
We are so sorry to hear about Vernon's passing, even though we are comforted to know he is in the presence of the Lord! He was always friendly and kind to us, and I (Micki) appreciated the many Bible Studies and fellowship times in our younger years! May you feel the arms of Jesus surrounding you!
