“ I was shocked when I heard the news about Vickie's passing, Before her retirement I was in the bank and told her I would call her, but she said she would call me but life happened and we didn't get to talk. Vickie was my classmate, we worked together at MBANK, BANKONE and CHASE for 22 years. when I left in 2007 she was still there. She was a good friend, we laughed when talking about our husbands. I'm praying for you Billy, Brad, and Brent and all of the family, my heart is heavy, God is with you.

“ Vickie and I knew each other well in days gone past, when Minyard's Food Store set up their account with her Chase Bank back in 1972. She was our go to lady at the bank and she never failed us when it came to deposits and gathering up check cashing cash for us in a hurry every Friday. Vickie and her family also stood tall in the fight to keep dirty industries off their properties/homesteads/lands for 5 straight years during 2005 till 2010. Vickie was a very strong lady, who was deeply respected by other women and she will be deeply missed by so many. Vicky Prater
