Keep her precious memories close to your hearts and we do have alot of them :) Camping, Galveston, Family Time all so precious now. She's with her Family and Granddaddy now watching over us all. The Heavens were Shining so Bright last night. Ryan and Alison you know we are a phone call away, we can't replace your Mom, but she know we will always be there for ya'll. Ya'll are like our own kids and we love you so very much. David thank you for giving Vicky the happiness she had, it showed. I know you have so many precious memories of the trips ya'll got to take together and all the fun you got to have. Keep all this close to your heart. When the pain gets hard open up and talk to her, she will be there to listen. There is NO greater Love than that of a Mother, it will live on in your hearts forever. “ Vicki,

How very sad to learn that you have departed my life. Many of my childhood memories are surrounded in the playdates that Sammie Louise and my mother arranged for the two of us from the time we could walk. From riding our bikes through my grandparent's forest to helping Mamma Mae in her kitchen, you and I spent many hours together sharing a deep, lasting friendship, often while Becky and Bill laughed at the mayhem that their younger siblings were up to. Your beauty, your laughter, your charms, and your intelligence will always remain in my memory. Thank you for sharing your many talents and your devoted friendship with me for so many years.

May God be with you.

Love, Allen

“ Vicky you will be greatly missed. I know your family will have heavy hearts forever and my heart goes out to each one. They have great memories that will put smiles on their faces but not replace you, I know because I lost my great love nearly 3 years ago and my memories help keep me going. I'm sure you and Billy Ray will have quite a few laughs.

God bless each of you who have lost your precious loved one.
