“ *We want to express our deepest sympathy to all of you in the loss of one of the sweetest, brightest and toughest lady we have known. Yesterday when I brought in the sandwich tray, I was so sad to see her chair empty. Every time I would visit her she would be in HER chair and with a smile she would greet me and always have a compliment.*

Just know that she will be missed and we know she is celebrating with all the other Saints in Heaven.

What a BLESSING she always was to me.

“ Doug, I am saddened to hear of your Mother's death. I have many memories of our parents being friends and visiting when we were kids and then of course, you and I going to school together. We are never ready to give our parents up but this is a part of God's plan and His way is perfect. Thank God that He let us have our Mothers into their 90s. I had thought I might be able to come up for the service but I just can't make it. My thoughts and prayers will be with you and your family and especially during the service time. Our sympathy and love to all your family. Take care of yourself. God bless your family.
