“ *When Gail called me about Mrs. Putt, memories came flooding back of the house across the street from the grade school in Lancaster. I spent more time there than at my own house. (fried fish and homemade ice cream that we had to turn!) Mrs. Putt was someone to be respected, loved and appreciated. I have so much love for the Putt family and am very sorry for your loss. May God bless you all, as I know He does.*

“ To Polly's family:

It was a privilege to know and pray with Polly. She encouraged me with her faith and prayers. She truly believed that prayer has the power to change things. At the end of every prayer meeting, she closed by singing whatever hymn God laid on her heart. In her time at Hope Center, she faithfully served in any capacity we needed her. I remember one day I was very busy with clients and I wasn't able to give Polly a "job." At the end of the day when I went into the office, there sat Polly surrounded by the mound of coins she had just counted out from Baby Bottle Boomerang! She was always contributing in her very sweet way. I can't tell you how happy I was that I didn't have to count those coins myself!

I loved Polly and know she is singing with her Savior right now!

“ Nancy and family,

I was so sorry to hear about your sweet mom. It is very hard to let a parent leave. My mom (96) is still at Heritage Oaks and really struggles.

I know God will give you and your family much comfort and assurance at this time.

“ I just heard that Aunt Polly passed away. We really enjoyed her visit with us in Colorado Springs a few years ago. She taught my children to play the card game Spades, and then proceeded to 'shoot the moon' every time she played with them. We remember her with love.
