“ *Waff knew how to throw a family get together. His summer pool parties were the best. Friends and family members came from miles away to spend the day. Where grilling, eating, swimming, visiting, volleyball and other games were played well into the night. He made sure we all had fun. I still have my Bat signal he painted for me hanging up. I know he is happy to once again be with his beloved wife Linda. Aunt Linda welcomed him into her arms. The love they shared now lives on forever through all of us. Melinda the joys of our memories that we cherish will always be in our hearts. Love to all of you. My heart understands the deep sorrow you feel. Prayers for strength to each friend and family member who had the privilege of knowing
Uncle Waff.
Love always, Marcia Brobeck*
