“ *I was honored to be on the same championship team at Corsicana High (linebacker) He was admired by all us as a friend and played end on the team.*

I lost contact with him after Highschool when I moved to California and graduated from San Francisco State University. The last time we met was at our 50th HS reunion. I have thought of him many times over the years and he has remained an important part of my life. God Bless him. I will miss him.

From my family (Michelle, Emma and Blaine), we are truly sorry for your loss of your father. He was a very good man and he always made me feel part of your family when I would visit. I will not be able to attend the service tomorrow, but rest assured that our thoughts and prayer go out to your family's in this time of need. If there is anything I we can do for you please reach out and we will be there.*

“ Dear Laurie and Greg,

I played baseball at UT...a freshman in 1951. Your dad was a very nice guy. He and Rayborn Matthews sometimes would ride with me on my way to Terrell and I would drop them off in Corsicana and pick them up on the way back to Austin. Would help share the cost of my gas. As I recall, the cost was about 20 cents a gallon. Very sorry to learn of Walter's death. Please accept my sympathy.

“ Laurie and Greg- I'm so sorry to hear about Walter. Everyone at Murray Investment Co. considered him a great friend and a wonderful guy. I was also sorry to hear about Iris, as I wasn't aware of her passing. God bless both of you at this terribly sad time in your life.
