“ Pam and Family,

I am so sorry to hear of your loss. Scott was a "one in a billion" kind of guy. As I reflect, I am reminded of all the escapades and schemes that he and Jimmy did and I smile. Those two were a hoot to be around. Pam, I will never forget him breaking his leg right before your wedding. Some of his comments were classic. Scott lived life to the fullest. He was a dedicated friend and loved his family. I remember being there when Michael was born and witnessing the pride and love that beamed from Scott's face. There are so many other times when he expressed his love for his siblings and parents, his own kids and the love of his life, Pam.

It just made you feel special to witness a man express such a devotion to those he loved.

I haven't seen him in years, my loss. But even to this day, I have a warm place in my heart for this kind, sweet man. I'm glad to have known him.

I pray sweet memories help with this trying time. I pray God holds you all close and give you peace.

“ away from work, scott loved to talk about his family and going hunting. it was so fun to talk to him because we shared the same intrests. i only knew him for a short time even though we worked for minyards together for over 30 years. scott touched the lives of many people he came to know. he had many friends and we all enjoyed being around him, because of his bubbly personality. i assure you he will be sorely missed by all of us. i just wanted his family to know that i am praying for them in the cmming days and weeks. may god bless you all and give strength and comfort.

“ I am very sorry I cannot attend the services for Scott. I worked with Scott at Minyard for many years. When I was promoted in 1981 Scott was one of the first guys to congratulate me and I did not even know him at that time. Over the years as I worked with Scott he never pretended to be someone he wasn't. He was just a good ole boy from a small town. I have great memories of his smile. God Bless

“ Scott has been in my thought often after he left Minyard's. I got the priviledge to work with him in Lancaster. He was a GREAT Manager but even more so, He was a GREAT Person and I am very proud to be able to call him a Friend. Scott always seemed to see the good in a situation and kept the people he was around positive and upbeat. I have and will miss him.

“ *May you find comfort in the memories that are yours to cherish always, and strength in the companionship of those who share your loss.... I have learned never to underestimate the healing power we all have. It is always there to be used for the highest good. Blessed are those who mourn, for they shall be comforted. (Matthew 5:4) May it be a source of inner strength to know that there's a loving God watching over you, and that, throughout this time of need, He'll stay close by your side. All those sleeping in their graves will wake up and sing for joy. As the sparkling dew refreshes the earth, so the Lord will revive those who have long been dead.*"-Isa. 26:19.

“ *Farewell my friend thanks for the time and experience you shared with me to help in my professional development.*

You were more than just a friend, you were a part of our family. My mother loved you just as she loved her four sons. You will be missed here on earth but I know you are in heaven and the Lord is happy to have you home.

To the family, feel free to call me anytime and remember to keep God first and everything will be alright!!

“ *The Hippards & the Walker's go back a long way.....for me it started in 1968 when I was born! Frankie, Carol, & then there's Mike. He was my buddy, Gib I was in love with (he was my Brad Pitt, but remember I was probably 10 yrs old). I had the privelege to meet Scott a few yrs ago when he & Pam came to mom & dad's for a fish fry. What a fabulous family you have.....those beautiful grandbabies! I know he's looking down from heaven sending his love....just watch for the shooting stars, those represent a kiss from Scott! All our love from our family to yours!*

“ *Although I have never worked personally with Scott, I knew of him through a mutual friend, Kelly Barnes. From what I have heard, Scott was a great person to work for and work with.....He was one of those individuals who always had a kind word to say and a smile on his face. During the times that Scott played cards with fellow employees, he always spoke very proudly of his family. Deepest sympathy goes out to Scott's family and friends.*

“ Mrs. Hippard & Family,
I am so sorry for your loss. I only work 2 days a week now & just heard the sad news today 07-23-08.
I was lead cashier @Minyard #54 under Mr. Hippard. He was a well liked boss & had a great sense of humor. I enjoyed the time I spent working with him.
I know he loved you all a lot as he spoke of you often. He really loved the grandkids & the time spent with them.
I thought it was so cool that you enjoyed hunting with him, not too many women love it & he really enjoyed you going with him Mrs. Hippard.
I pray that God will guide you thru this very difficult time. God Bless!
