“ *Wanda was a very sweet and kind friend.I met several years ago at their farm when i went and bought veg.and fruits. Every time I saw her we talked.The last time I saw her she said she was doing well from the stroke she had had. It was a shock to see that she had passed away. May she rest in peace and may God comfort all her loved ones.Love you Wanda... Love Raymond & Sharon Bland*

“ My dear sweet Wanda, my first cousin, my friend and like a sister to me. Please know you will be missed by many family and friends everywhere. You were very special to me in growing up together. We shared many laughs and fun. Remember the horse grandma bought for you? We would ride it bare back together, and to make her go, we would say, we are feeding you fast grass. The horse was old but we thought that johnson grass made her go a little faster, therefore calling it fast grass. We would laugh and laugh. There were many other good memories, too long to list. Be at peace my sweet Wanda. God bless you, your husband Milton and all of the Family. The angels are smiling and waiting for you. Love You, your cousin (and like a sister to me), Annette Tackett Jones
