“ *I remember quail and dove hunting season. The best fried birds, gravy and mashed potatoes set on any table. She was one of the best cooks for sure and she loved preparing a good meal for those to enjoy. Our moms were so much alike! She is at peace. Be thankful you had her in your lives for so long. Love to you and family.*

“ *I have special memories of Aunt Wanda and spending time in the summer with Mike. She always cooked great meals and her house was spotless. When I read the obituary about how she made the special dishes, it amazed me that the apricot fried pies were one of her specialties because that is, also, one of my specialties. Wish I could be there to honor her at the memorial service and see everyone. My thought and prayers are with you. Brenda*

“ Our prayers are with the Little family, and her sister Zoann and brother Don. Wanda was Aunt Tank, and Jimmy was Uncle Shinny to our kids. Because they had a tank we took them fishing. So they became "Aunt Tank and Uncle Shinny", because Kris couldn't say Uncle Jimmy. Mark & Phyllis, Kris, Aaron, & Dylan.
