“ To Miss Bobbie and the Burkhalter family:  
Tracie's and my love and prayers are with you. This dear man was so loved by those who knew him. Mr. Wayne was the strength in his family, a wise businessman and rancher, and a good friend to us. His wisdom and hugs never failed us when we needed them. Chatfield lost a piece of it's history with Wayne's passing, but his memory will never die in the community he loved and who loved him back.

“ Uncle Wayne was more like a grandfather than an uncle to me. He had a knack for making each and every one of us in the "Buckhalter tribe" feel special. I am grateful for the times I was able to spend with him and watch him in action on the ranch. I always marveled at how much determination he had. Even when men his age had long since retired, he was still up and at 'em! He was such a tough man, yet had such a gentle spirit. I will always treasure the times he played piano with my dad and the times he tried to teach a Louisiana girl how to Texas Two-Step. I wish that I could be there with the family today. My thoughts and prayers are with each of you now. I will miss Uncle Wayne very much, but know that he is still with us in spirit!
