“ There are not adequate words to describe my father. He was a good man, worked hard his whole life to provide for us. I am so thankful to have had him as my father and wouldnt trade that for anything in the world. He will be sorely missed. I could go on and on about the memories I have of him, there are so many, but this past month surpassed them all to be able to share time with him in the end, means the world to me. Love you daddy!
