“ *Bill, Don and Nannie, I wanted to tell you how sorry I am for the loss of your daddy. Granddaddy was such a great caring person. I enjoyed him calling me and every ounce in a while sending me a letter to let me know how his life was going. He lived a full life and he touched on the way esp mine. I have so many WONDERFUL memories. I am very blessed to have him to be a part of my life, and I will never forget him. I just send my love your way and hope you know I will be praying for you.*

“ I had the pleasure of having Bill as my Grandpa for 30 years. He was married to my grandmother Ruby way before my presence was ever placed on this earth. There was not a holiday that passed that was not spent with him and my Grandma. Thanksgiving was truly hard, knowing he was in Texas and not just down the road like he had been for a majority of my life. We lost my Grandma Ruby June of this year and I honestly do not think he wanted to live without her cancer stricken or not. He will truly and dearly be missed within this family. May you rest in peace Grandpa and I WILL see you again. I could not have asked for a better man to call my Grandpa and spend all of those holidays with. You know the memories are plenty and filled with nothing but love Grandpa and until I do see you again, I will cherish each and everyone of them. I love you and always have. Your grateful granddaughter, Robin.
