“ Ann,
I hate that we are so far away and can't be with all of you. Aunt Dot, Uncle Joe, Charles and Mike were just about the sweetest and kind-hearted people I've known. I am so sorry for your loss. You are in Mom, Dad and my prayers.

“ We were so sorry to hear of Charles' sudden passing. I know this is a difficult time for your family. Please know that our thoughts and prayers are with you all during this time. I remember the reunions in years past that we all attended and had a great time together. In case you don't recall Jeanne, I'm sure you will remember Mary Frances and Hotshot, who have been meeting our loved ones as they go home to be eternally free of pain and suffering!

“ Dear Olivia and Family:

I was so sorry to hear about Charles (that's what he was known as in High School). I didn't find out about the service until this morning when I checked the Daily Sun online and by then it was too late to attend or even send flowers. Our Class of 1965 sends flowers to the families of the Classmates that we lose and I certainly apologize for not being able to do so. If there is a certain charity or memorial fund that Charles had, please let us know and we will make a donation in his name and in honor of our friendships.

I knew Doris very well as I worked with her at King's Groceries and at Brookshire's during my teens. Also, one of my brothers worked with Joe at U.S. Gypsum. I remember Mike though it has been many years since I saw him.

Again, I want to send my personal condolences to you and your family, along with the thoughts and prayers of all of our fellow Classmates.

May God be with you as you endure this time of grief and loss.

“ We only met Ann and Bill 2 months ago while eating at the Italian Village. Somehow Bill just stuck. My 18 month daughter spent the entire meal blowing kisses at him. The next time we met up she remembered him and began to blow kisses again. I am so sorry for your loss Ann, but I have to tell myself that it is surely heaven's gain. The Lord bless you and keep you. -The Hayle Family

“ ann, i was very sorry to hear about mr.cordell. he was a very nice man and
i know he had a very lovely and nice lady for a wife.....my thoughts are with you, and if there is anything i can do, please call. way back when i was a child, my grandmother told me when we lost a family member, that i needed to remember their voice-- each and every day, and that it would comfort me in times of need. in the last two years, i have lost my mom and my dad, and each and every day, i take a moment to remember their voice, and i promise you, it does comfort you and guide you. i miss seeing you both, and i hope that you will find comfort in knowing that he is there for you still.
remember his voice....he is still there for you. god bless you,
