“ William Burl DuBose Will be greatly missed by his family & friends. He had just came back to Corsicana 5 months ago to care for our grandmother (Mama) after being gone for several years. The last 5 months was not long enough I wish we all could have more time with him. I don't know what Mama is going to do without him. But he is in a much better place then we are. In haven with his daddy & grandfather(Papa) with whom he loved very much as we all did and do. We have our precious memories that will just have to get us by til we all can meet again in haven.

Until then we must take care of each other, keep our faith alive that this is all part of God's master plan for us. There is a reason to all the madness in life and only God knows the reason. We can only try to make sense of it all as we lose our loved ones 1 by 1 or 2 by 2.

Take care and know we are here for you and we love you very very much.

Love,
Mary, Gary, Jenny & Alexis
