“ *I had a lot of good times at Hashops Drug. I remember my Unkle Clyde Heifner taking me ther every Sunday night for ice cream back in the 1940's.. Working at Levines across the street was a good reason to go have a cherry coke with the Hashop Brothers and their dad back in the 50's. It is the same building but certainly not the same warm feelings and greetings that you use to receive when you go to the present soda fountain now. Thanks to both Will and Joe for making our lives fun and full of great memories as children, teenagers ,and adults. May God give peace to Becky and the rest of her family. Nedom Muns Class 1957*

“ To all the Hashop children -
I can't begin to express my sorrow and heartfelt condolences to all of you. Your Dad was like family to me, and his loss affects me deeply as it does you. Bill, I can still remember him tossing a football with us in your front yard, and baseball games in the back yard. Everyone in Corsicana has great memories of Will at the store. Know that he has run the good race and is at his reward with the Lord. Our prayers are with you at this time of sorrow. God bless you all.

“ Dear Kathy, Phil, Becky and Bill,

*Thinking of you and your families...
Your dad lives on in our hearts, of course. And in the stories we pass on and the moving pictures our memories play as each of us remembers moments with Will and your family. I especially appreciate the life-long friendships our parents, aunts and uncles have shared.*

*Love,
Sharon*

“ Dear Hazel, Bill, Kathy, and Becky,
Mother called to let me know about Will. It touched me so to think about the whole Hashop's coffee drinking bunch. They are almost all gone now. I think my first outing after I was born was to Hashop's with daddy. I enjoyed many hours eating roast beef sandwiches, drinking orange limes, and drinking malts with a whole egg in them (made by Will) when I was sick. Will, Joe, and Mr. Louis hold many fond memories for mother and I. You are all in our thoughts and prayers at this time.

“ The Hashops and Hashop's Drug store were a big part of my growing up in Corsicana. I know Becky but haven't seen her for many years, and my father used to call on the Hashops when he was with Southwestern Drug.

“ Dear family,
We are so sorry to hear the news of your father and our dear friend passing away. Your dad is one of the people that has known me all of my 49 years of life. I can not ever remember not knowing and loving the Hashop family. Will was one of my references when I applied to the FBI in 1990 as he was someone that knew everything there was to know about me. I have so many fond memories of eating lunch everyday at Hashop's...piminto cheese sandwich with pickles on top, a regular coke, and a pack of cookies. I can close my eyes and see your dad standing behind the counter and hearing someone yell, "beef and cheese to travel" and hearing your dad say "check"!!!
Please know we are so sorry and we share your sadness. Everyone loved your father and treasured his friendship. We feel confident Will and my dad are catching up on old times and having a cup of coffee.

Love to all, Michele and Douglas

“ *When hearts are filled with sorrow there is little one can say, for only time can comfort you when a dear one passes away. So may the time be hastened until sorrow will depart and many wonderful happy memories will live on within your hearts, and all of those who loved your husband, father, grandfather, teacher and friend. My thoughts and prayers are with you during these dark hours.*

“ To the Hashop family,

I am so sorry to hear about the death of Will Hashop. The Gordon family has known the Hashop family forever. We were all great friends with Becky, Kathy and Bill. Mr. Hashop was a wonderful man and left a great legacy. We will always remember the drug store and the smile on his face as you came into the store and left the store. What wonderful memories. God bless all of you and may the memories in your heart ease the pain of his going home.
