“ *Tim,*

I am so sorry for your loss. I remember the fun times our families had so many years ago. All I can tell you to help you through this time is remember the good memories, the laughter and everything that goes with it. I've been doing that for the last 14 months and it seems to work. Praying for you and yours.

“ jack was a long time friend of my father don wylie, and we worked and hunted with him for years. we had a lumber/hardware store, and a construction company, and did a lot of work with jack. i would even work for him in the evenings when the a/c work got out of hand in the summers. one of my favorite childhood memories is going to pinkies in llano and jack would always order some "round steak"- baloney and fry it up at the camp. he was a good friend to our family, we will miss him.

“ Patty and Family, we are so sorry to hear about the loss of Jack. He is now in Heaven free of pain and whole again. We are never ready to give them up, but there comes a time we have to let go. I have lost so many the past few years. God will give you the strength to go on and time will help ease the pain. You all will be in our thoughts and prayers during the days to come. God blessed you by letting Jack be with you this long. We love ya'll...
