“ There are no words to describe what a great man you were. You stepped up on more than one occasion and took on responsibilities that were not yours, and never gave it a secondly thought. I know its because of who you were I am the person I am today. There is no way I could ever repay the things that you did for me growing up. You are the only father I have ever known and I don't know what we are going to do without you. I don't want to see what the world looks like without you in it.  
I love you William!!
