“ *The Nichols family has been a blessing to Park Meadows Church for twenty-four years. Clarence and Diane ran the Christian School, Park Meadows Academy for many of those years. Bill taught in our school part time as he also taught in the public schools in Kerens, Texas. Most of all I remember Bill for our many talks about the Bible around coffee through the years. I was also a student in his Sunday School class at Park Meadows every Sunday morning. I learned a LOT from Bro. Bill, and always looked forward to his classes with anticipation, because he was a real student of the Word. All of that ability he gained through his pursuit of math and physics his whole life, he turned toward his study of the Bible--it was quite amazing to behold. I love him and miss him so much. He always sat right behind me when I sat on the front pew waiting to go up and preach, and he handed me a song book. This past Sunday I turned expecting to receive the song book...and remembered he was now in the very place he always taught about. I will miss him dearly, as will all the members of Park Meadows Church. Sincerely, David Mitchell, Pastor*

“ Clarence, Diane and Georgette and family. We are so sad to hear about Bill's passing from our lives. We have lost a great light and witness for our Lord but we know heaven and Bill are rejoicing today as he is home. Prayers for you all now and for the future. He leaves a great void - may God raise up others to take the baton he carried. Love you all. Gary and Linda Brunton

“ I'm saddened to hear about mr. Bill. He was a good man and very intelligent. He was a dedicated teacher willing to help anyone but more importantly a dedicated follower of Christ. I know his family will miss him most, but will see him again one day at the beginning of eternity.
