

William B. Worthen

November 10, 1941 - September 2, 2024

William Buckner Worthen (Bill) was born on November 10, 1941, to William Buckner Worthen and Libbie Arnold Skinner Worthen in Texarkana, Tx. He passed into eternal grace on September 2, 2024, at his home on Richland Chambers Lake.

Bill graduated from Corsicana High School and the University of North Texas. He was married to Gail Rader Worthen for 59 years. After dating in Corsicana, he followed her to Denton, Tx where he was a part of the NIKE missile program. He worked in sales division of Texaco for many years and owned businesses in the Richardson area. Bill, Gail, and their son, Trevor made their way back to Corsicana in 1985 to be closer to family. Bill retired from the Navarro County Appraisal District.

He is preceded in death by his parents William & Libbie Worthen and his beloved son, William Trevor Worthen. He is survived by his loving wife Gail Rader Worthen and his granddaughters Ashley Diane Worthen, Avery Noel Worthen, Mary Grace Worthen and his daughter in law, Jennifer Worthen.

Bill was devoted to his “girls” and to taking care of them. He was a kind, big-hearted, “you can count on me” fellow who kept us laughing. He was a sailor, a golfer, a hunter, and a fisherman. He enjoyed helping out and visiting with all his neighbors. For the last few years camping with his wife and his friends

across the U.S has been his favorite past time. He and Gail had just returned home from an extended trip to the western states.

Memorial donations may be made to the American Cancer Society or an organization of your choosing. Interment will be in Crowell, Texas with a private graveside service.
