“ *Daddy, I recall ALL the funny things and the good times we shared. I remember your always having to carry me when I fell asleep at the drive-in movies, carrying me out of the hospital after my appendix was out. I recall camping and fishing, but usually cut short because Mom's asthma usually got the best of her. Please give MOM, & DUCK, & Jennifer a big hug and kiss and that their truly missed. And, I know Tony-Pony's walking hand in hand with you too. I bet Mom and Dorothy are sure telling tales about you.*

“*popie,
i remember after nanny,s passing you wanted me to take you to the house for a while. after 10 minutes of silence you said" i do not talk much son" i said " me neither". you told me you liked to be quiet and listen and learn. well i know wednesday night at the end you learned how much you were loved. the memories told by everyone staying by your bedside that night, you lying there and listening. you have been a big part of my life the last 20+ years and i will miss you greatly! i love you and know you and nanny will now be watching over our family.*
