“ *I am so sorry to hear of your loss. Since I don't have Liz to keep me informed I didn't know he was so ill.*

He was a good husband, father and friend. I called the church and hopefully got it in the newsletter. Also called LaNelle. She sends her regrets. You may not know it but she is in a nursing home in Granbury. Has difficulty breathing, seeing and walking. Guess I am lucky that I just keep having knee surgeries. Four in ten years. The last one in November.

You are in my thoughts and prayers. Love LaRue

“ It was such a pleasure to have known Winfred. Every time I met him, he always had a friendly smile and greeting. It is such a shame to have the "good guys" leave us so soon, but I am sure that God's plan is perfect. Please know that my thoughts and prayers are with all of you at this sad time in your lives. I pray for strength to meet your every need. I will not be able to come to the memorial, but will keep you close in my thoughts. Love from all the Arendts is sent to you and yours!

“ Mrs. Dove,
Though we have only known Brady since the boys started college, we feel as though he is one of our family. You should be proud to call him your son. I know he will be a source of strength for you in the days to come. While we will not be able to attend the service, please know that we are praying for you and your family.

Thinking of you,

“ Winfred was always one of my favorite classmates. As I remember him, he was always kind, gentle, and didn't have a mean bone in his body. Shelia, I am so sorry for your loss. I know he must have been a wonderful husband, father, and grandfather. Although we have not kept in touch personally through the years, I have kept up with Winfred and his family through other classmates. He will definitely be missed. I HATE that he (and his family) had to experience this horrible disease. It has definitely touched us all at one time or another. I will always remember Winfred as a kind and loving teddy bear of a guy. Shelia, I know the days ahead will be difficult but let God and the love of your family and friends bring you through the hard times. With deepest sympathy, Pam West
