“ *Yolanda Russell is my mother and most of my memories of her are quite sad... From being separated from her as a small child... To being torn from her arms as a little girl... To being institutionalized by her as a teenager.. To her on again off again love.. To me caring for her her last year of life. BUT THIS IS MY MOM ALWAYS. AND SHE BROUGHT ME INTO THIS WORLD. AND GOT THAT IN GRATEFUL. I LOVE YOU BABE.*
